

Life in the Holy Spirit - Ministry Reports

Clergy Care

It is a great honor to serve alongside Bishop Ken in caring for the clergy of the diocese. The design of my work is to create a safe place. I want pastors to know they don't have to walk alone. There's a place to go and process the struggles of this life; the emotional and spiritual stress and anxiety of ministry; the assaults of the world, the flesh, the devil; and talk, pray, listen, and discern the counsel of the Lord together. It's confidential. It costs nothing. And it's easy to access an appointment on my website at call2disciple.com.

As my home and office is presently in South Carolina, it's a joy to be with you at Synod and to see -- not by ZOOM -- but really see you! May the Lord continue to bless you and your family; your ministry; and keep you healthy and well in the mighty name of Jesus.

Respectfully submitted,

The Rt. Rev. Thad Rockwell Barnum
