

Life in the Holy Spirit - Ministry Reports

Theology Group

In 2021 the Theology Workgroup completed a paper entitled, God's Great Love for Us: Pastoral Ministry to LGBTQ+ People. This paper was the result of many months of discussion and writing within the group. Outside readers with expertise or special interest in this topic also contributed greatly. We are grateful that Bishop Ken played a key role in revising and editing this work for content and tone.

The members of this team are: Julie Canlis, Ph.D., Ben Fisher, Ph.D., Nathaniel Kidd, Ph.D., Robert Kinney, Ph.D., and Ben Wagner, Ph.D. We work on an ad hoc basis, as Bishop Ken assigns us topics that he believes need to be addressed. You can find our previous papers at this link: <http://rockymountainanglican.org/theology-workgroup/>.

This year we are also receiving suggestions for upcoming projects from clergy in the diocese. You can send your suggestions to pastorbwagner@gmail.com.

Please keep in mind that our goal is to help you think theologically about issues that have a practical impact on local church ministry. Obviously, what we produce must be reviewed and approved by Bishop Ken. We are most thankful for his oversight. We look forward to hearing from you and we covet your prayers for our work.

Grace and Peace,

Ben Wagner (chair)
